"I regret leaving Clairton High School . . . it has been just like one great big family. But like all good things, it too, must come to an end. This is the process of life. I have always been proud of Clairton High School students, not only scholastically and athletically, but also because they are fine young men and women.

"After 17 years in Clairton I feel that it's my home and I belong here. I am looking forward to retirement with enthusiasm."

Doctor Bohren and his wife plan to spend most of the summer months at their summer home at Deep Creek, Maryland, and the winter months at their present residence at 1269 Bickerton Drive. He plans three trips; one to the Scandinavian countries, one to the Mediterranean area, and one to the Far East.

Being a man of many hobbies, he plans to keep himself busy with fishing and golf. Looking back on his years in Clairton he summarizes with this statement: "I like the people of Clairton. My relations with the businessmen and residents as well as with the teachers and students has been most enjoyable."

Miss Elaine A. Stevenson

Mrs. Helen B. Mills

Mr. Neil C. Brown

Mrs. Grace M. Lacey

The President of the Big 9 Principals and a member of the W.P.I.A.L. Football Committee is our principal, Mr. Brown. His year begins in the summer with computer scheduling and continues with the supervision of senior high activities until graduation. He participates in several organizations and makes speeches in cities throughout the country.

Mr. Vitori, Vice-Principal, disciplines students who find it difficult to keep their minds on the rules.

Guidance Counselor, Mrs. Lacey, consults and advises students, and posts endless notices about testing and scholarship programs.

Secretary to Mr. Brown is Mrs. Mills, and secretary in the guidance office is Miss Stevenson.

Mr. Anthony Vitori

Mr. Frank L. Gajer

Mr. Joseph F. Malak

Mr. Phillip Clifford

The books and equipment used in the summer school classes were obtained for the Clairton School District by Mr. Gajer, Coordinator of Federal Programs.

Director of Vocational and Adult Education is Mr. Malak, who has begun a progressive program in his departments.

Mr. Clifford, Home and School Visitor, investigates truancies and acts as liaison between teachers and students.

To the left are the secretaries of the administrative offices. Standing are, from left to right: Miss Gloria Taddeo, Mrs. Audrey Keller, and Miss Esther Paros. Seated are Mrs. Eva DeMaio, and Mrs. Angeline Bracken, personal secretary to Dr. Bohren.

Health Office Staff  
Mrs. Whetzell, Mrs. Everson, Miss Schreck

Dr. Gabriel A. DeMedio

The panacea, aspirin, is doled out judiciously by our nurses, Mrs. Whetzell, Miss Schreck, and Mrs. Everson. Dr. DeMedio handles the more serious cases with individualized care. We leave for future students of Clairton High School, the magical curing action of aspirin.

Our cafeteria staff, under the competent direction of Mrs. Mary Luksick, prepares the finest hot lunches in the Valley.

Left to right: Dot Gash, Ted Woodson, Mildred Barisich, Catherine Carron, Louise Burke, Filomena Marnell, Elsie Mills, Mary Sabol,

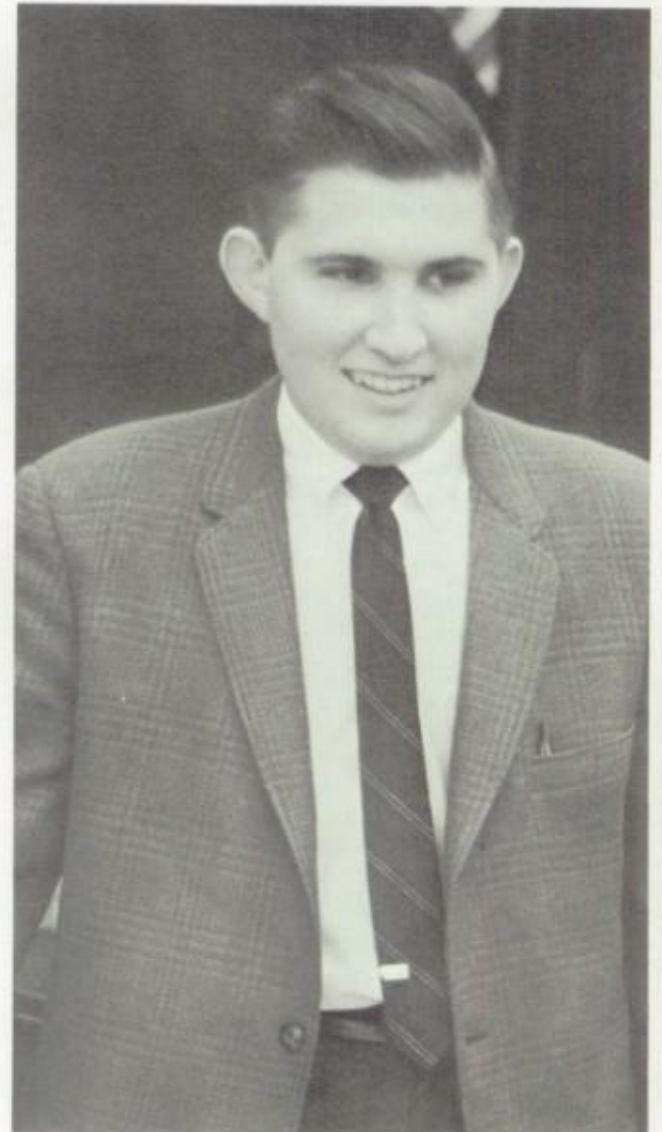

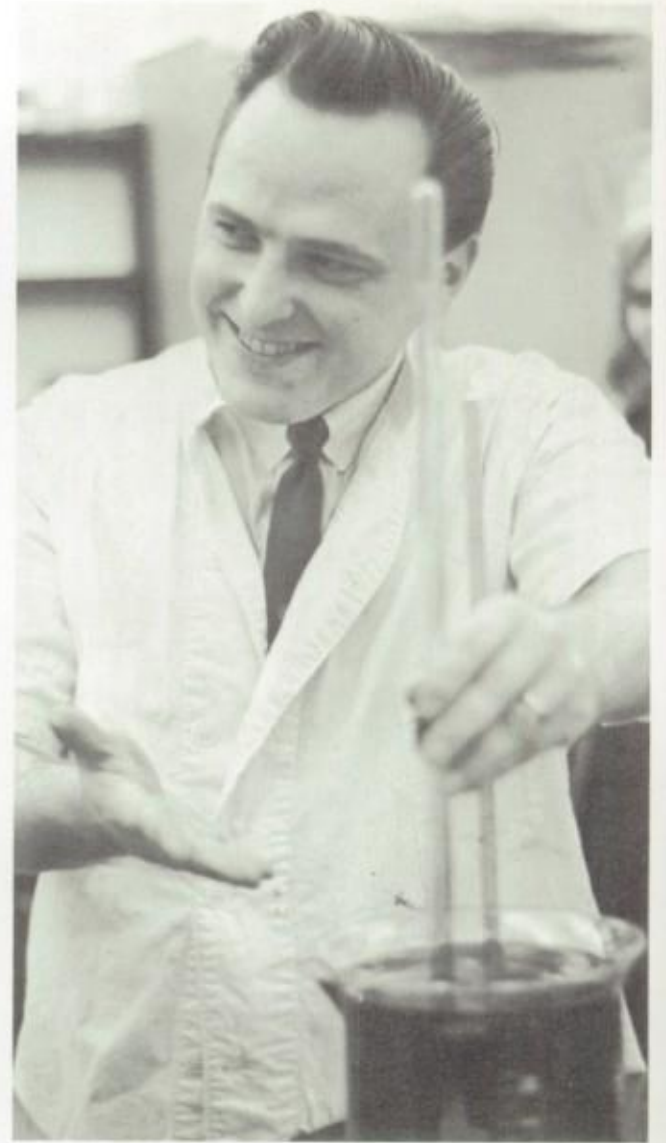

Edith Matz, Annette Sharkey, Nancy Fuge, and Mary Luksick, Cafeteria Manager.

# STUDENT COUNCIL

Under the leadership of President Steve Cundra, Vice-President David Williams, and Secretary-Treasurer Diane Peterson, the Student Council helped to rejuvenate school spirit through various activities. It collected soap for Viet Nam, money for CARE and the United Fund, clothing for Good Will, and sponsored a clean-up campaign. With the cooperation of a representative (bottom left) and an alternate (below) from each home-room, school dances were successful. The sponsors, Mrs. Cowan, and Mr. Morris, were instrumental in the accomplishments of Student Council.

The Varsity Marching Band, under Mr. Benack and Mr. Caliguiri, was at its finest throughout the year. During football season a different show was offered at every home game with Drum Major Dave Baldovski leading the band. The season was highlighted with the appearance of the band at the Steeler football game. It also had the honor of attending the 1967 Lions International Convention in Chicago.

The annual Spring Concert again gave several individuals a chance to display their talents with both difficult and novel selections.

# HONEYBEARS

Smile . . . The trademark of the stars of stage, screen, and stadium—OUR CLAIRTON HIGH SCHOOL HONEYBEARS. This year they have set a record unprecedented in the history of the group. Their long hours of practice turn a half-time show into a masterpiece that will long be remembered. Besides the traditional appearances, the Honeybears performed at the Allegheny County Fair and on the Ted Mack Amateur Hour. C.H.S. will never forget the 1967 Honeybears, but more important, the 1967 Honeybears will never forget C.H.S.

another year of providing music for  
C.H.S. Mixed chorus rehearsals started  
the school day, as members of this  
group worked tirelessly preparing pro-  
grams for Christmas, Easter, and as-  
semblies. Eighth period found the Sopho-

## SNOWBALL

In its second year as an independent paper under Miss Cutuly, the Clairtonian News moved a stride forward. The acquisition of a new press made it a completely school production. The editorial staff, consisting of Vivian DiBernardo, Janice Dolfi, Diane Peterson, Jack Chottiner, David Ivak, Ken Dull, and Mary Lou Salago, combined efforts to produce an imaginative literary addition to C.H.S. Extensive sports coverage and perceptive articles expanded the scope of the paper. It added to the awareness of its readers and gave the students an opportunity to express themselves.

Editor Lynn Niklas, Advisor Mr. Pinto, and division heads, Christine Stonick, Melvin Laing, Lee Elder, Susan Hoge, and Ralph Helman, worked hard to make the Clairtonian a unique yearbook. New techniques were used along with the change-over to a Fall book, thus giving total coverage of the entire school year. Mr. Pirnie, our highly imaginative Representative from the American Yearbook Company, and the staff feel this approach is truly novel and distinctive.

The Frontiers of Science was divided into three categories: electronics, biology, and rocketry. During the meeting various members gave oral reports on their interests in the field of science. With Ray Pastore as president and Mr. Barcelona as sponsor, the club visited the Allegheny Observatory, launched rockets, helped the Junior High Science Club with their experiments, and saw many scientific films.

The sixteen members of the National Honor Society, under President Kenneth Swope, have completed another year of distinction in scholarship, leadership, character, and service. The members attended a dinner and dance at West Mifflin South High School. Miss Phillips sent representatives to conferences at Franklin Area High School and Carnegie Institute of Technology.

Doing their best was the goal of the Librarians. Working in the bookroom, preparing periodical lists, and checking overdue books kept them busy. Throughout the year, they arranged seasonal decorations, bulletin board displays, and showcase exhibits to arouse interest in reading. Led by President Cathy Bachowski, they provided service and organization for Miss Finch and a suitable atmosphere for the students. When time allowed, they took a field trip to Carnegie Library. Their overall performance earned for them this much-needed break from the library routine.

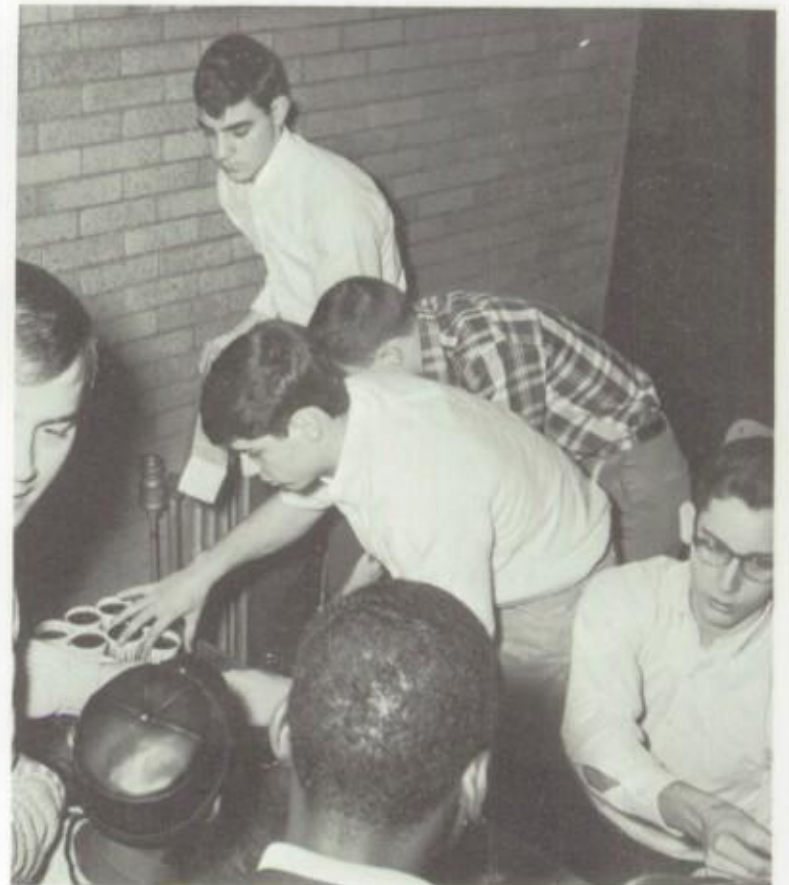

The Red Cross Club was led by Miss Viscusi, sponsor, and Kathy Grisnik, president. Among its numerous activities were several dances and a party at Christmas for the boys at Auberle, "Voices from Home" tapes and letters for soldiers abroad, variety shows at Warrendale and the Crippled Children's Home, a first aid course, and stuffed animals and toys for needy children. For its outstanding work in community and school projects it received the Parents' Magazine Youth Achievement Award.

This year saw the reactivation of the Varsity Club with Mr. Baker as sponsor and Dave Morock as president. The boys sold refreshments at the home basketball games, and candy at Christmas time, and also sponsored a basketball game between the faculty and senior members of the club. With the proceeds from these activities, the club purchased spring jackets for the senior members, made a sizable contribution to the Children's Hospital, and helped support the yearbook.

The Future Teachers of America acquaints students with the teaching profession. The club president, Suzan Taylor, and its sponsor, Miss Walker, attended Spring and Fall Conferences for Regional Business and a workshop at Duquesne University. Two representatives were sent to Harrisburg to elect officers for the Pennsylvania FTA. Club meetings consisted of regular business and featured a speaker who presented different aspects of teaching.

The Clairton Chapter of the Future Homemakers of America worked "toward new horizons" while designing clothes, preparing foods, and decorating tables. The members had a chance to put this knowledge to practical use by offering their services at the Sophomore, Junior, and Senior Teas. With Mrs. Olga Kneram as sponsor of the club, and Claudia Chalfant as president, the FHA contributed to many worthy causes. It sponsored a Bake Sale for the benefit of Children's Hospital and sent Christmas Baskets to needy families. The group also presented the Annual Spring Fashion Show, modeling fashions made available by local merchants.

A group of dedicated Juniors and Seniors with Doris Cole as president formed the Future Nurses of America. Actually, the club included potential pharmacists, doctors, lab technicians, and others who were interested in medicine. Under the direction of Mrs. Vidnovic, the club visited hospitals, discussed medical techniques, and sponsored a first aid course.

Each year a big job is tackled by the Business Club—the sale of yearbooks. Under the direction of Mrs. Lewis and President Kathy Gibson, the members manage sales and collect money together with the other things that go into a successful campaign. Another project is the sale of poppies for disabled veterans. The Business Club took two field trips this year. One was to Bell Telephone, and the other one was to Robert Morris Junior College.

Members of the German Club are under the direction of Miss Mrkonic. Bill Traeger is the club's able president who directs its activities. Their meetings are generally held on the days designated for clubs, but sometimes special meetings are called after school. The main purpose of the club is to learn more about the German language and the country of Germany.

During each meeting of the History Club, the members gave special reports on current, controversial issues. The club was presided over by Ralph Posmoga and was sponsored by Mr. Taylor. The main activity of the club was the quiz program between a team of juniors pitted against a combined team of sophomores and seniors. The program broadened the knowledge of the participants, and proved interesting to the student body.

The Spanish Club, under the supervision of Mrs. Kyshakevych, worked throughout the year. At meetings, presided over by Cheryl Hill, members increased their knowledge of the language and culture of Spain. Slides were shown on various topics which included pictures of Spain. Among its activities, the Spanish Club continued supporting its adopted child, Israel Artega Aguilar. In recognition of the club's part in sponsoring Israel, it received a Certificate of Merit from the Christian Children's Fund. A field trip to Pittsburgh highlighted the club's activities.

The Russian Club of C.H.S. has had many interesting discussions at its meetings. The members discuss the possibility of going on field trips, and the availability of Russian films and television programs about the Soviet Union. The president, Dave Baldovski, often leads the members in an exchange-of-ideas session about the U.S.S.R. Mr. Huzinec, who sponsors the club, occasionally receives letters from behind the Iron Curtain and the club members try to translate. The main purpose of the club is to enlarge the knowledge of its members about the Soviet Union and to give them a better understanding of her people and their languages.

# Bears End Season With Victories

After having only a 2-2 record to show for themselves after the first four games, the Bears won four out of the last five games to finish with a 6-3 record. Games won over this span were against Brashear, Donora, Mon City and Laurel Highlands, while the sole loss was to Elizabeth Forward.

On October 7, the Bears came to Clairton, but they were the home losers, 13-0, in a scoreless first half.

## Clairton Bears Top Brashear 13-0

By HENRY DAUBNER  
Daily News Staff Writer

Clairton's Bears hammered out a matter-of-fact victory last night, whitewashing the Falcons of Brashear Area, 13-0, in what looked like a warm-up session for next Friday's tilt with neighboring Elizabeth Forward.

Neither team showed much spark last night but the Bears twice picked up enough drives to take the ball into the end zone both times after forcing the Falcons to punt from deep in their own territory.

Although the Falcons were playing before an estimated 3,000 persons at the Bears' field, they dominated the statistics, with the victors' ball game a way.

Cougars Cruise On Bears To Stay in State

CHARTERED, Pa. Sept. 30 —Charter High's Cougars continued their winning streak on the WEAL Class A playoffs with a victory over Clairton before some 5,000 fans who ignored the rain here.

The Cougars capitalized on Clairton's mistakes to remain among the Class A contenders.

Tom Mosero and Sam Mosher pounced on Clairton's Dave Dragorsin at the 20-yard line following a bad pass from Clairton's soggy quarterback, Joe Rawls.

Al Labrasca bolted in for the second and following a series of plays that began when Robert intercepted a Clairton pass.

Dan Brashear then bolted over from the one yard line, scoring another touchdown.

Meanwhile, the Cougars' defense stood firm, allowing Clairton no farther than their 32 yard line.

What is the importance of the stadium on the success of a football team, a good line of play? That is a question that can be just as easily asked on the field as it can in the classroom. The answer is that a stadium is a place where a team can show its colors and where it can win or lose. It is a place where a team can become a legend.

## FOOTBALL

1966 was a AA season for the Bears from beginning to end. It started with a victory over Belle Vernon and ended with a victory over Laurel Highlands, with nothing but AA games in between.

The initial victory over Belle Vernon foreshadowed a winning season. Fullback Dave Morock exhibited his skill early in the season when he scored twice, once from two yards, and the other time on a forty-nine yd. run. Dave Williams added the extra point to the second touchdown on a pass reception. End George Jones scored the third TD on a pass from Tom Pipkins.

The next game, at Monessen, showed the advantage of a home field as we tasted defeat at the hands of the Greyhounds. Nothing seemed to go right for the Bears, who made their only score on a three yard plunge by Morock.

Once again the Clairton-TJ game was decided by one point, and the point was again in our favor. The reign of the mighty Bears over the Jaguars was continued as the capacity crowd was treated to a thrilling game. TJ scored first after a sustained drive early in the game. Clairton came right back to march seventy-one yds. and scored seven points on two passes by Pipkins. The first was to Terry Hammons for the TD. The second was to Chuck Unseld for the extra point. The battle continued for the rest of the game with neither team scoring again.

The rain, which usually accompanies a Charleroi game, was right on schedule again this year, to the dismay of the Clairton team. Charleroi scored near the end of the first half, after a punt attempt failed, and the Bruins were forced to play catch-up ball for the rest of the game, until the last few minutes when Clairton was forced to take chances and throw the slippery ball. Charleroi intercepted twice in the last three minutes, and both interceptions resulted in touchdowns.

Clairton dominated the Brownsville contest, especially defensively, but had enough offense to post a decisive victory. The defensive unit stopped the Falcons twice when they were in scoring position, with brilliant stands on the nine and one-yard lines. Joe Bartolomeo scored first on a seven-yard plunge, and Morock caught the extra point. Terry Bush returned a punt thirty-one to set up Morock's two-yard TD.

Even two Jaguars can't match one Bear, as illustrated in the above picture. Tom Pipkins goes for a gain with two Thomas Jefferson Jaguars pawing at him in vain. **Below**, Willy Page (81), NuNu Wade (74), Ron Kudas (85), Dave Morock (40), and Fran Geletko (71), along with the rest of the Clairton defensive line, "mix it up" with Monessen on the goal line. The Bears had many fine performances with their backs against the goal line this season, using the "6-5 kill" defense of Dave Morock.

"That's far enough," Skipper Williams tells a Warrior back in the upper left picture. At the upper right, Dave Morock demonstrates his tackle breaking ability.

In the left picture, a Monessen back is slowed up by George Jones (80) as Fran Geletko (71), "Bama" Page (81), and Mike Ross (67) move in eagerly to finish him off. Knowledge of where our opponents were hurting us and where they were weak was important in calling offensive and defensive formations. Reserve quarterbacks Alex Barna and Art Young handle the phones in the picture at the right, and Jim Ferraro is ready to run the plays into the huddle. The reserves on the bench watch wide-eyed as their teammates on the field put on a dazzling performance. At the extreme right safetyman Don Kudas runs back a long interception.

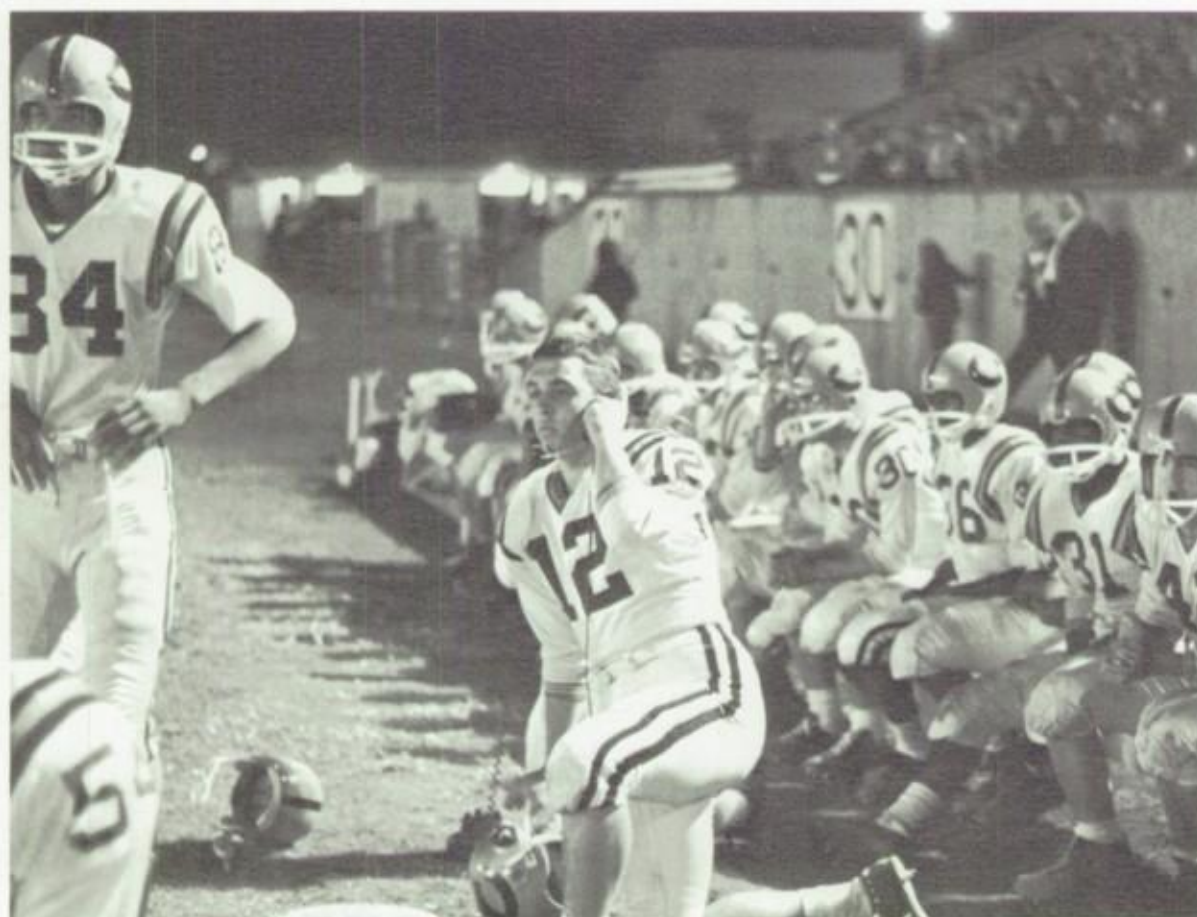

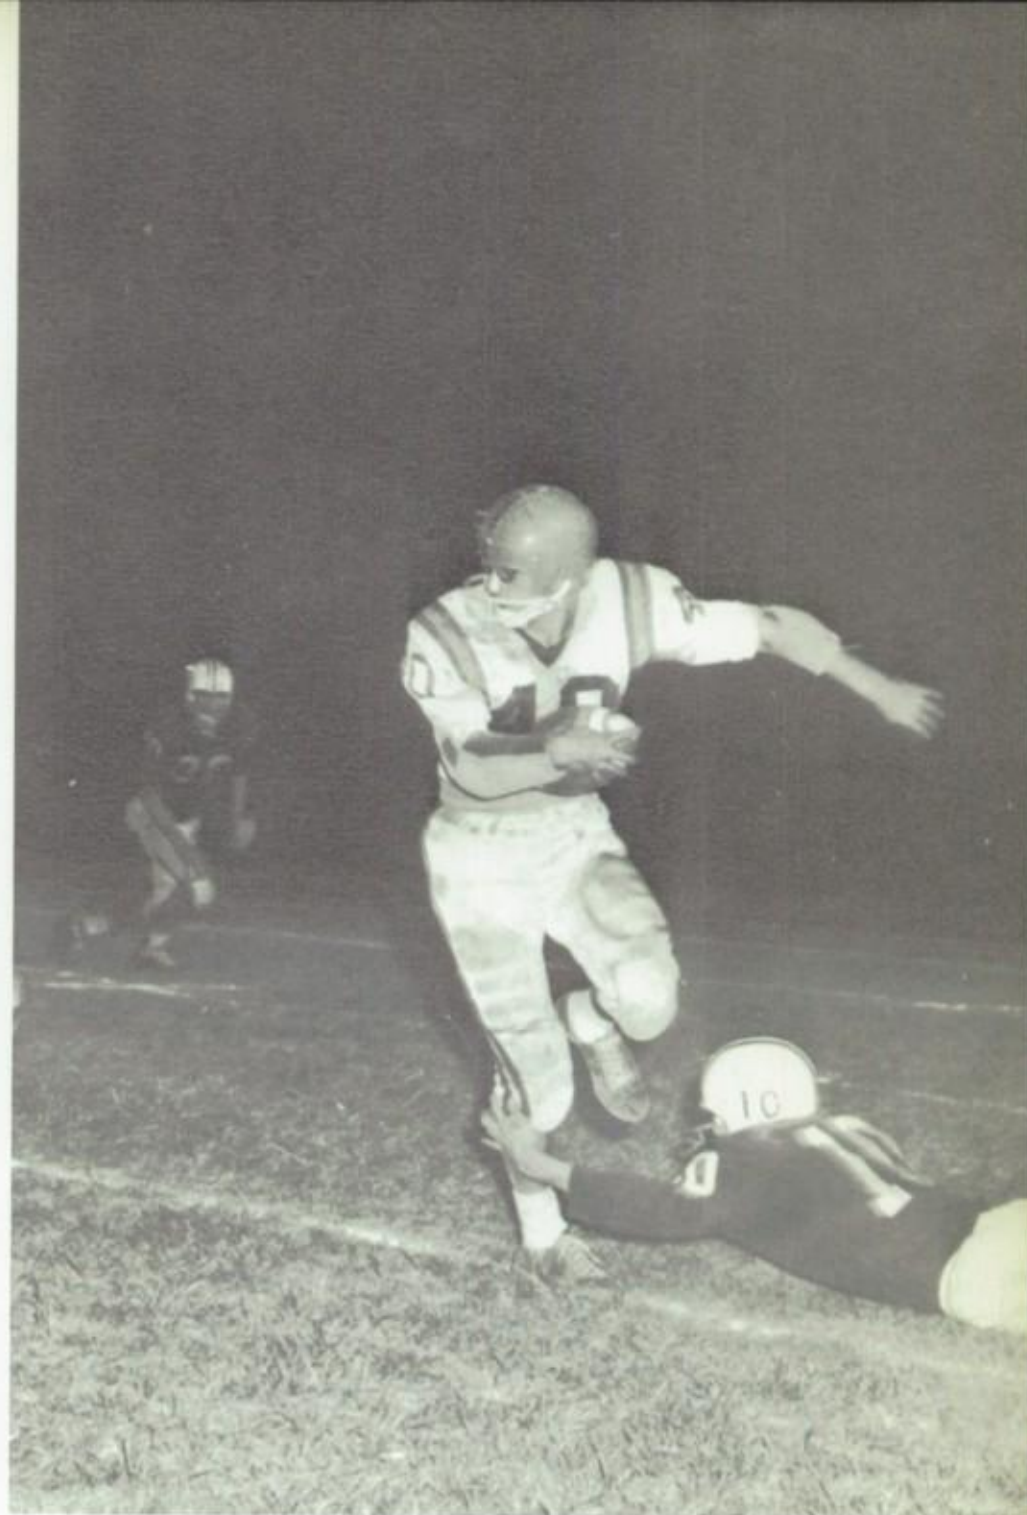

The Elizabeth-forward game started fast for the Clairton Gridders who marched seventy-five yards in the first quarter to score from the one on a QB sneak by Pipkins. However, the Warrior's pass offense proved to be too much for the Bears, who couldn't maintain control of the ball long enough to score again, and the Big Nine champs were victorious.

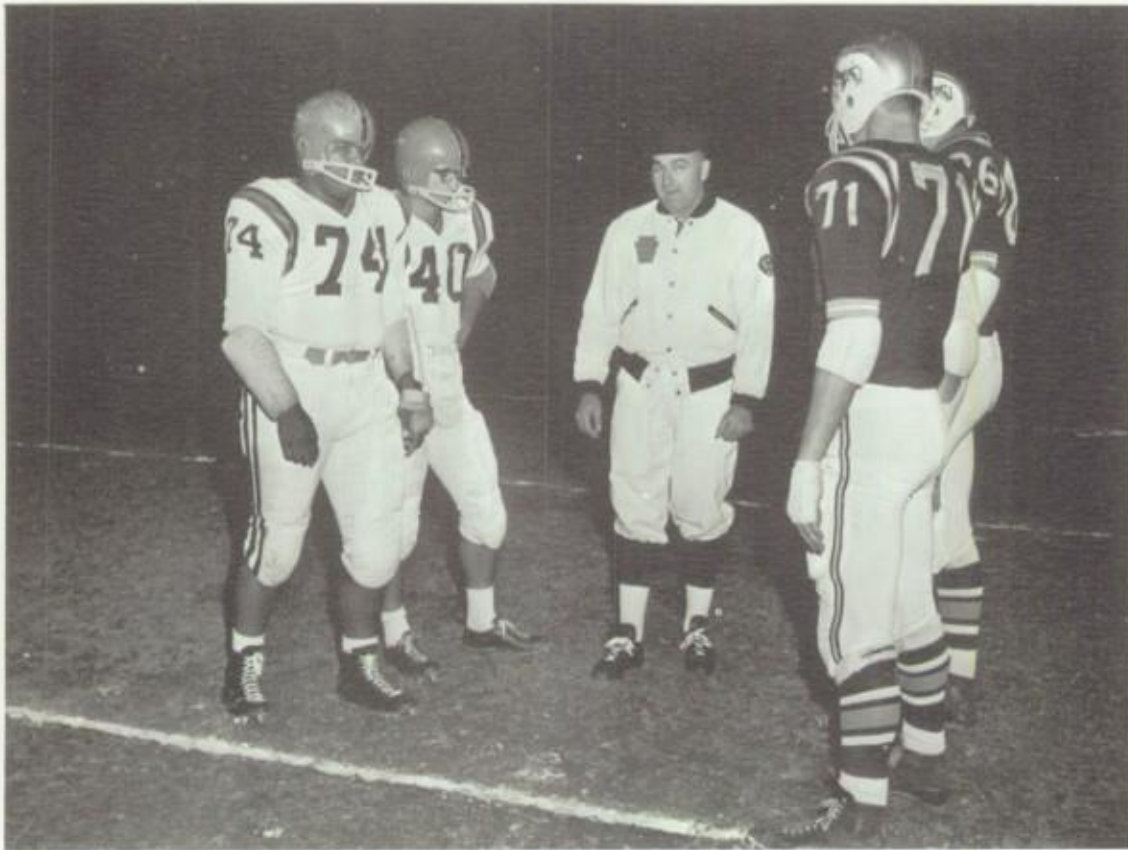

The game at Donora turned into a scoring contest, with both teams running up high scores. The Dragons scored first, but the Bears came back to gain a lead and never relinquished it for the rest of the game. The scoring for Clairton was by Morock with three TD's, Bartolomeo and Bush with one apiece, Barna kicked three pat attempts.

In the final home game of the season the Clairton Team treated their fans to a methodical victory over a large Monogahela opponent. Bartolomeo set up the first TD by a thirty yard run after which Morock scored. Monogahela made their only tally when the Bruins fumbled four times on a two series of plays. Bruce Graham then intercepted a pass and we marched in, again with Morock scoring.

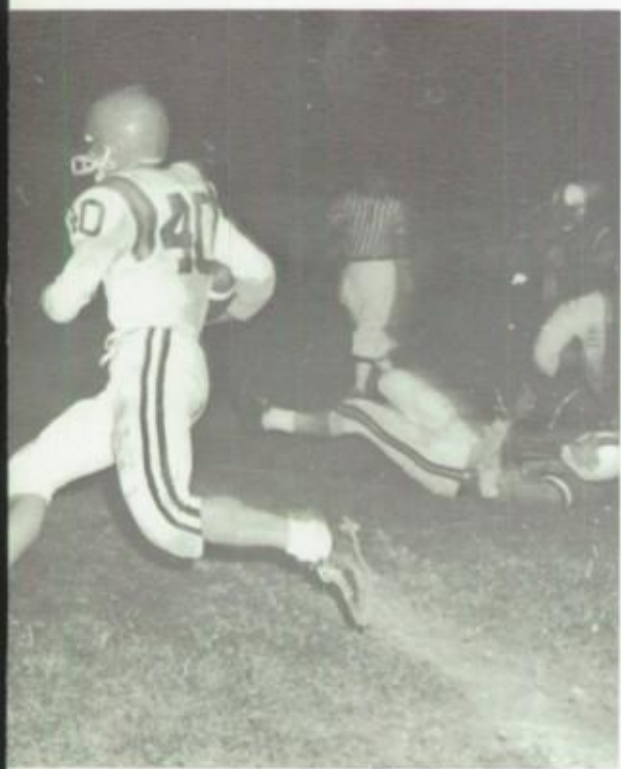

The Bears wound up their winning season with a great game at Laurel-Highlands, completely overwhelming the opposition in statistics and effort. Williams recovered a fumble at mid-field, setting up a screen pass to Morock, good for twenty-one yards and a TD. Then Alex Barna, giving a preview of next year, threw a long pass to Morock for the final TD of the 66-67 Bears.

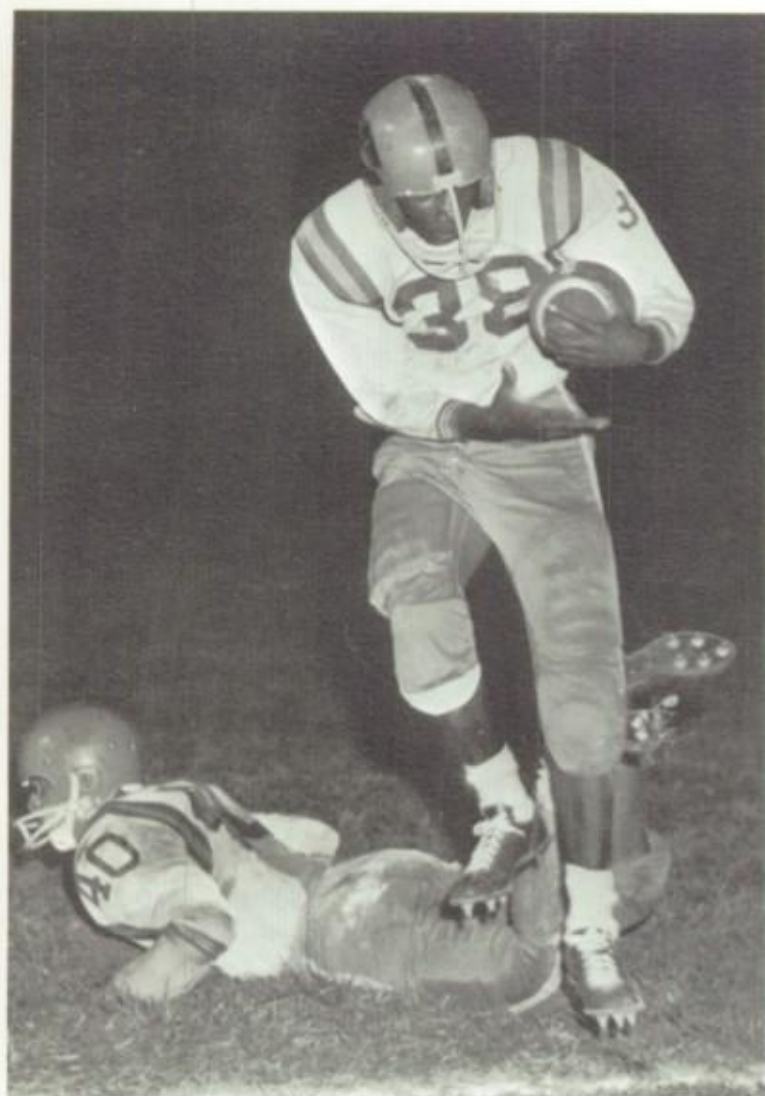

## J.V.

A team with talented, experienced juniors can look forward to a winning season next year. Standing from left to right in the group picture are: Bill Castor, a great broken-field runner; fullback Joe Bartolomeo, who doubled as a linebacker; signal caller Alex Barna who has great ability to move a team; and tailback Terry Bush, shown in the upper left photo rambling for one of his long gains. Kneeling are John Matola, a fast, aggressive guard; center Bruce Graham, who made the Big 9 team; and end George Jones, shown above hauling in the winning TD against Belle Vernon. These boys are "Property of C.H.S." for one more year, and should prove to be very valuable property indeed.

Two bits, four bits, six bits, a dollar,

All for Clairton, stand up and holler.

And holler they did. These words resounded from the mouths of the energized eight as they screamed and yelled their way through the many athletic events of 1967. Their biggest vote of confidence came the week of the T.J. football game. As that game drew nearer, tension mounted and the students became excited. At the T. J. pep assembly, the students displayed school spirit in every sense of the word. The happiest of all the fans there were the cheerleaders because they knew they had accomplished what they had set out to do. School spirit was alive again!

# BASKETBALL

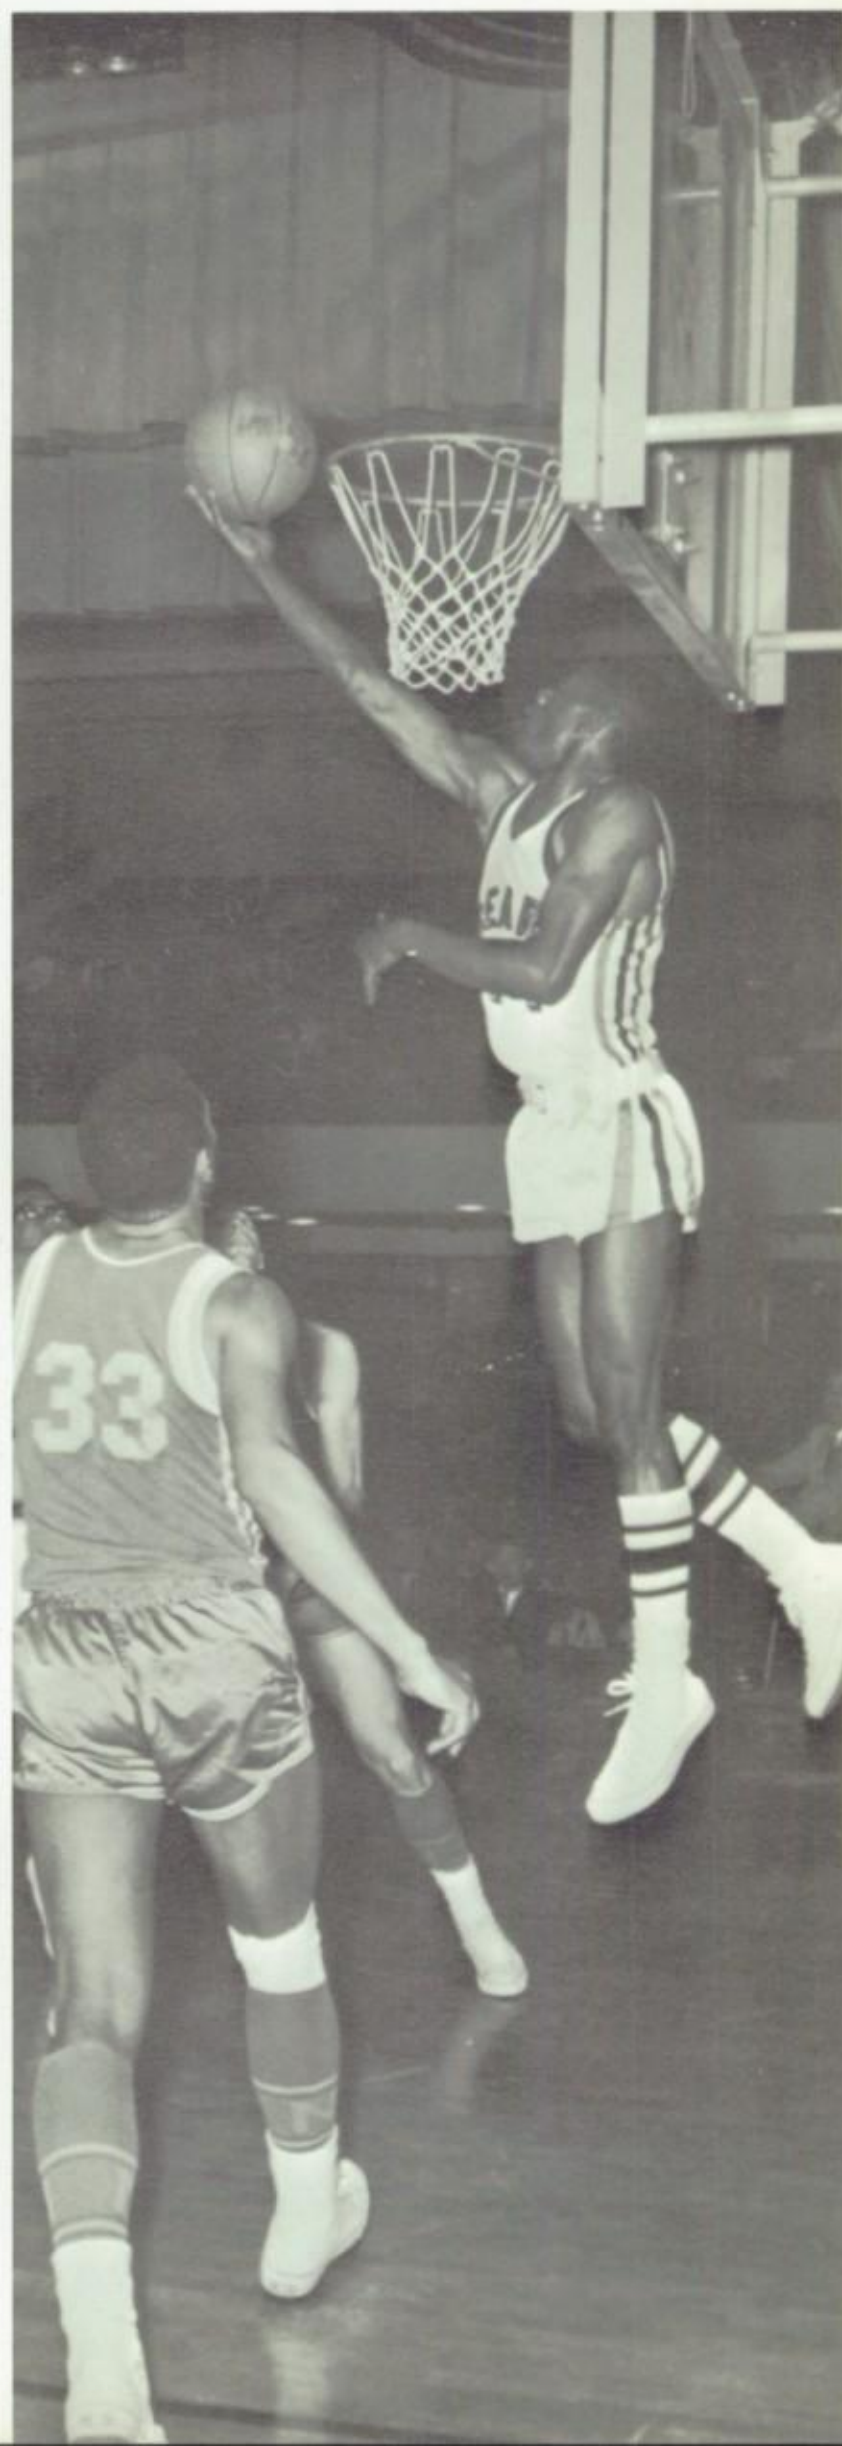

The Bears ended the '66-'67 campaign with a record of 10-12, posting a 6-8 slate in Section 5 play. The Bruins scored key triumphs over defending Class B champs Braddock and arch-rival T.J. in exhibition play. Prior to the start of league action, the team participated unsuccessfully in the Farrell Holiday Tournament. The Bears encountered rough sledding in Section play losing several close ball games. The highlights of the season were the victories over defending Section champs McKeesport and South Allegheny. Melton Sumpter set a school record against South with forty-one points and the ninety-four points scored were the most ever by a Clairton team. With Fifth St. Jr. High enjoying an undefeated season, C.H.S. can look hopefully to the future.

## BEAR-A-CUTIES

The girls who made the 1967 Bear-a-Cuties, after tryouts at the end of last year, faced several hours of practice every Thursday night during the regular season. The hard work paid off with the team attaining a record of five wins and three losses. The girls had a full schedule playing such teams as Peter's Township, Bethel, Mt. Lebanon, and Baldwin. In addition, they refereed the intramural volleyball games of both the Senior High and the Junior High.

# CROSS COUNTRY and TRACK

A runner must have considerable speed and stamina to master cross-country. This fall saw another team of boys jogging around our course at Clairton Park. The won-loss record was not impressive but the times were. The longer the season ran, the lower the times became. Top runner for the varsity was Rudy Yaksick, who turned in some fine performances. Following closely were Fit Anderson and Ron Farmerie. The improvements of the predominately Senior-Sophomore team prompts Coach Bedogne to look forward to a fine season when two promising Juniors on the squad return next year. He hopes they can follow the lead of this year's harriers as they race against the clock.

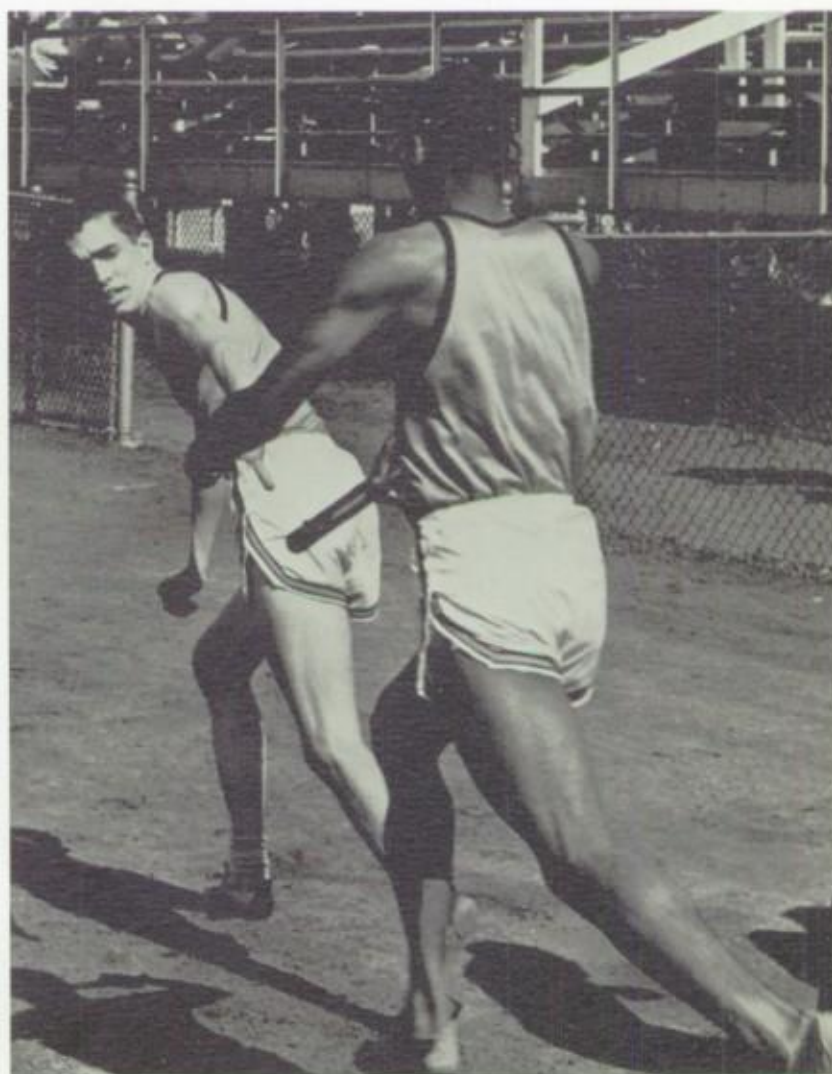

No one can remember a losing track team at Clairton, and this year's team was no exception. Under Head Coach Nick Soich, they started the season with a 6th place out of 80 in the Tri-State Indoor Meet, with places by Rudy Yaksick in the 880, Chuck Unseld in the 600, and the Sprint Medley team of Yaksick, Unseld, Reginald Bradford, and Maynard Ogletree. The next meet was the Big 10 which they won for the eighth straight time. The two-mile relay consisting of Ron Farmerië, George Popko, Unseld, and Denny Sammartin took second place. Len Oldland and Brad Bayles placed 4th and 6th in the Hurdles, Sammartin and Yaksick swept the mile with 1st and 2nd, and Popko, Sammartin, and Tom Stokes placed in the half-mile. The 880 relay team consisting of Bradford, Fred Howard, Ogletree, and Don Smith placed second. Unseld placed 2nd in the 440, and anchored the 1st place mile relay with John Anderson, Tyronne Walker, and Smith. Dave Pryzbylski and Steve Thomas represented Clairton in the two-mile. Terry Bush took 1st and 2nd in the pole vault and high jump as Washington took 3rd in the broadjump. In the weight were Dave Dragosin and Frank Ruzich, 2nd and 3rd in discus, Ruzich and Gene Tognarine, 3rd and 5th in shot, and Jim Kotto and Mike Ross 2nd and 5th in javelin. The final competition of the W.P.I.A.L. independent district saw the Bears finish strongly with Bush, Washington, and the 880, mile, and two-mile relays qualifying.

# SWIMMING

The Clairton Bearacudas, swimming in rugged Section 2 of the W.P.I.A.L., posted a respectable record of five wins and nine losses for the '66-'67 season. However, the C.H.S. tankers came on strong at the close of the campaign, winning the Big Nine Championship by a wide margin.

This year's top performer was James Nairn. Jim broke school records in the two-hundred and four-hundred yard freestyle and the one-hundred yard butterfly. He also holds the pool record for the one-hundred yard freestyle. Jim became the first

Bearacuda in several years to participate in the state swimming championship at Bucknell University.

Although hard hit by graduation, Coach Pasquerell, in his second year at Clairton, has seven lettermen returning. They are: Felix Fusco, Mike Jones, John Kilgore, Mike Vickers, Andy Popko, Jeff Taylor, and Mike Wargo. These boys will form the nucleus of next year's squad.

# BASEBALL

The 1967 C.H.S. baseball team was one of the most successful in the school's history with a record of 9 wins and 4 defeats. The Bears compiled a 7-3 slate in league play to earn themselves the runner-up spot in Section 14.

The Bruins opened the season with two exhibition wins over Thomas Jefferson, and a league victory over W. M. South. The Bears' next engaged W. M. North in a titantic struggle which ended in a 2-2 tie. The Vikings won the replay and also the return contest at Clairton as a result of several errors in the Bears' defense, thus dashing out title hopes. The highlight of the season came when the Bears trounced the McKeesport Tigers by a 12-0 score.

The strong point of the team was the pitching staff. Junior hurler George Jones posted a 5-0 record giving up only 2 earned runs in 45 innings of a pitching, while Senior Dave Morock's blazing fastball was responsible for striking out an average of one batter per inning.

Although the Bears lost seven lettermen through graduation, Coach Clifford has high hopes for another fine season in '68.

# SOPHOMORES

The step into Senior High is often a difficult one for sophomores. After reigning over Junior High, it is some time before we can resign ourselves to the fate of being low men on the totem pole and strangers in Senior High. Clutching our handbooks, we wander bewildered through the school halls, determined not to lower ourselves by asking directions. We arrive at our classes, late of course, and begin filling out an endless number of charts and schedules. The first few days are the hardest, but as the year continues, we accept our place and look forward to the time when once again we will reign as incomparable seniors.

## JUNIORS

**Sponsors** Miss Rimko and Mr. Pasquerell.

**Junior Class Officers Row One** President Sylvia DiBernardo, Treasurer Rickey Woodruff **Row Two** Vice-president Ralph Posmoga, Secretary Jean Verlich.

The Junior year strongly resembles the mid-morning bogged-down feeling we so often experience. The exuberance of entering Senior High has worn thin, and many classes are pure drudgery. Homework assignments are longer, class participation is more difficult, and tests are troublesome and frequent. We are faced with the thought of future plans, and are confronted with achievement tests and college boards.

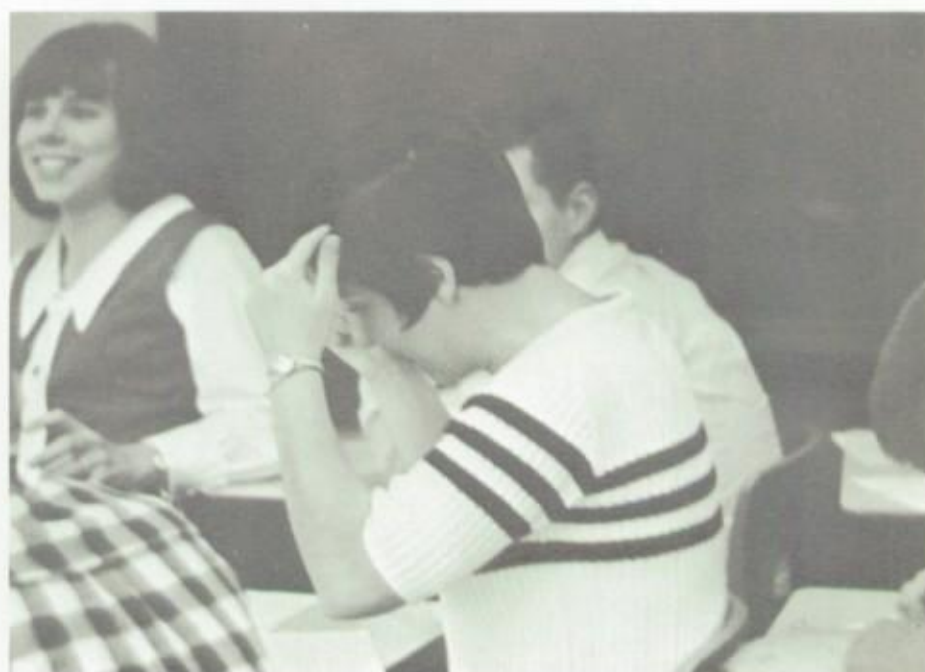

With the arrival of class rings, our school spirit gradually returns, and following mid-semester exams, the school year assumes a brighter outlook. At this time, we abandon all other interests to begin planning the climax of our Junior year. Special committees are set up and we prepare to outdo ourselves in planning a Prom to surpass all others.

In the midst of all these plans, however, our spirits are dampened with the distribution of class ranks. Once again scholastic improvement becomes our primary objective, as we realize that our Senior Year is "just around the corner."

## SENIOR COUNCIL

Senior Council led the Class of '67 to new heights in achievement. Its first concern was to help sponsor the three semi-formal dances, all of which were well attended. Later in the school year Senior Council sponsored the sale of the name cards and commencement announcements. "Reflection and Projection" was the class theme, and violet and white the class colors. More students than ever before were given the opportunity to participate in Senior Day. The latter part of the year was spent preparing for commencement exercises and selecting the class gift to be presented to C.H.S. The success of Senior Council had two determining factors; interested sponsors (left) who were: Miss Phillips, Miss Marovich, and Mr. Jacobs; and a willing group led by (above) President Charles Unseld, Vice-President Nikki Meena, Secretary Dolores Ference, and Treasurer, Mark Johnson.
